IN-PERSON PROGRAM

"Let There Be Laughter: Jewish Humor in America"

Joey Novick, Comedian

From the stories of Shalom Aleichem to Larry David's mega hit *SEINFELD*, Jewish humor has changed the course of American comedy for more than a century.

When asked to define a Jewish joke, Mel Brooks said, "A Jewish joke is one that every Jew has heard before and no goyim will ever understand".

Joey Novick has been a comedian, lawyer, NJ elected official, busboy, child actor, and camp counselor - but not necessarily in that order. His solo "Jewishish, An Oy Story" has been lauded by the New Jersey Jewish News, and temples and synagogues all across the country.

Monday, January 30th
